**RESPONSE TO OFFICE ACTION UNDER CFR §1.111**

Dear Sir:

In response to the Office Action of May 11, 2007, the Applicants provide the following introductory remarks.

**Petition to Revive under 37 CFR 1.137(b)**

**A Petition with fee to revive the application for unintentional abandonment (37 CFR 1.137(b) is being submitted concurrently with this response.** In addition to the Statement in the Petition that the entire delay in filing the required reply from the due date until the filing of a grantable petition under CFR §1.137(b) was unintentional, the following additional remarks are provided. Notwithstanding that a new Power with new Applicants address was submitted for this application on December 13, 2001, the new address was never entered into the USPTO system according to Examiner Yu. Although previous office actions had been forwarded to the new address, the outstanding office action was not forwarded to the present address of the Applicants. Now that the new address has been brought to the attention of the Examiner, it is expected that any further office action on this application will be mailed to the current address of the Applicants. It is respectfully requested that the Petition to Revive this application be granted.

**Amendments and Further Remarks in response to office action of May 11, 2007**

The Applicants hereby submit the following amendments and remarks in response to the office action of May 11, 2007. The office action was issued in response to the BPAI Communication of March 22, 2007, which communication vacated the pending rejections and remanded the application to the Examiner to consider various issues and take the appropriate action.
